Scott/Howard/Kyle, please see questions from Barbara Quinn below. I doubt the answer is "yes" for 1 and 2, but wanted to check since you or your staff have been out there observe directly.

Thanks,

Hi Laura,  
I need clarification on a couple of things.

-Do you know if the Gasco site is signed from the river so boaters know not to stop there or swim?

- Is the Willamette Cove site signed the same?

-EPA representatives earlier said the sand at Cathedral Park's beach would be removed and replaced with clean sand. Is that still being planned? Would it be years from now when most of the upriver sites have been worked on?

Thanks, Barbara
